Grading for Miami Warehouse Inventory

Peach Wireless offers used devices of various grades, sourced directly from major carriers. We offer fully functional and tested devices at better prices than a brand new phones. When you buy from Peach Wireless, you will know the exact condition of every device you order.

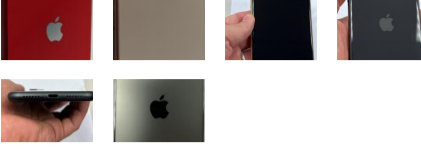

See [Miami Warehouse Functional Testing](#).

A1

Flawless at first glance

The screen will have very few, if any, faint scratches only visible upon close inspection or viewing/rotating under light.

The housing/bezel will have very few, if any, minor blemishes only visible upon close inspection.

Click images above to expand

B1

Excellent

The screen will have few, faint small scratches, only visible upon close inspection or viewing/rotating under light.

The housing/bezel will have few, faint small blemishes only visible upon close inspection.

Click images above to expand

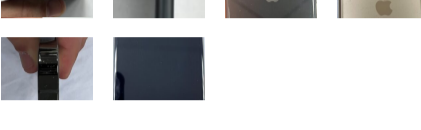

B2

Lightly Used

The screen will have few to several faint small scratches, only visible upon close inspection or viewing/rotating under light.

The housing/bezel will have several blemishes (scratches, scuffs), visible upon quick inspection.

Compared to the B1 grade, the screen might show slightly more signs of use, and the housing will show more signs of use.
